

So Others Might Eat (SOME)

I'd like to contribute something, but I didn't bring anything with me.

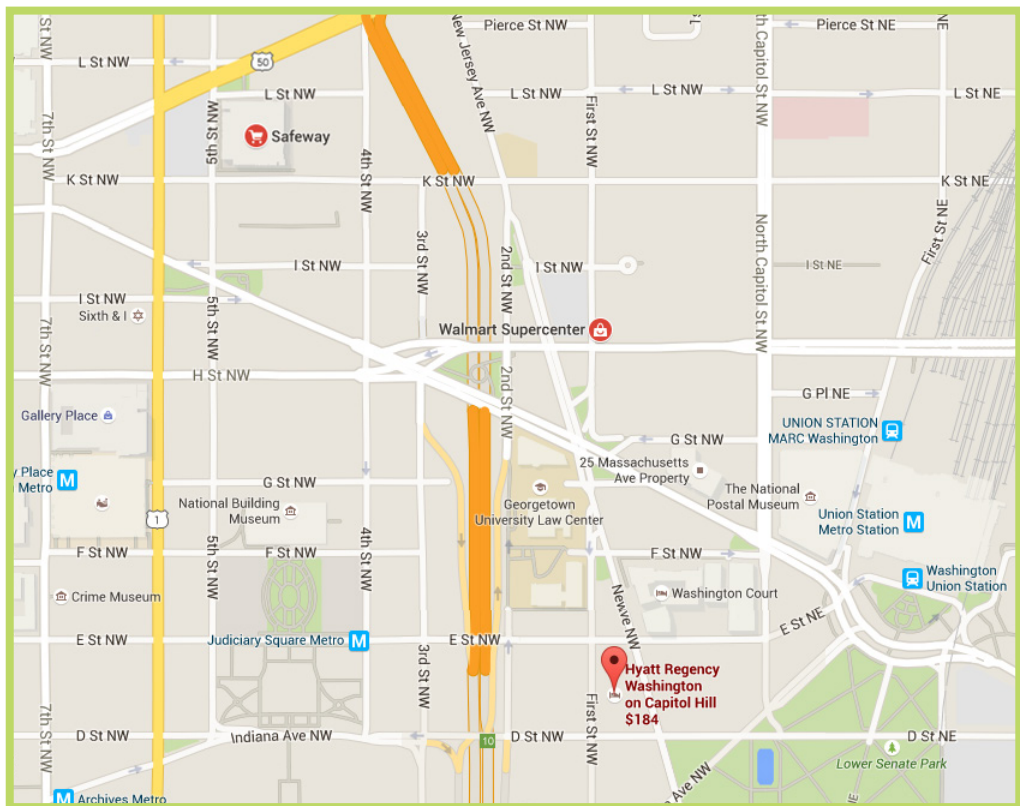

That's okay! You can still contribute by:

- Making a cash donation to SOME
- Purchasing a wish list item from a local store

I'm not familiar with the area. Where can I purchase an item on the wish list?

So Others Might Eat (SOME)

SOME is a local Washington, DC nonprofit that helps the area's poor and homeless.

They provide basic needs, such as food, clothing, and health care, in addition to offering a variety of services, including affordable housing, job training, addiction treatment, and counseling.

For 45 years, they have been working to break the cycle of homelessness.
